- ② They should handle only their own laundry.
- ③ Cooperation in housework, such as washing, is expected.
- ④ They are not required to participate in housework.

第2問 (配点 20点)

Ami and Yuki are college students attending the same university, and they share a rental room. They have a rule to cooperate in making dinner together. Today, Ami has classes until the 5th period and will be home late. Below is their exchange of messages on LINE.

Ami

I'm just leaving the university now. Sorry for being late. I think I'll be home in 30 minutes.

Yuki

Don't worry about it. I'll be late too because of club activities.

Ami

What should we have for dinner tonight? Should I stop by the supermarket and pick up some prepared dishes?

Yuki

I think we have leftovers from yesterday—yakitori and grilled fish. But we do need a salad.

Ami

We're both probably tired, so how about getting takeout pizza?

Yuki

We had that two days ago. Besides, I'd like to have a nice salad.

Ami

OK! I'll stop by the market and pick up some lettuce, tomatoes, cucumbers, and such.

Yuki

Sounds great. I'll get the rest of the meal ready before you get home.

Ami

Thanks. See you soon.

問1 Why does Yuki prefer not to have takeout pizza for dinner?

- ① She doesn't like pizza.
- ② They had pizza two days ago.
- ③ The pizza place is closed.
- ④ She prefers homemade food.

問2 Why does Yuki also get home late?

- ① Because she left a textbook at the classroom.
- ② Because she had an appointment with her math teacher.
- ③ Because she attended a club activity.
- ④ Because she had to do her homework in the library.

問3 What will Ami buy at the supermarket?

- ① Prepared dishes
- ② Ingredients for salad
- ③ Yakitori and grilled fish
- ④ Dessert for after dinner

問4 What can be inferred about Ami and Yuki's approach to dinner preparation?

- ① They always eat out at restaurants.
- ② They follow a strict weekly meal plan.
- ③ They collaborate on meal preparation and decision-making.
- ④ They usually order takeout instead of cooking.

問5 Who will come home earlier, Ami or Yuki?

- ① Ami will come home earlier.
- ② Yuki will come home earlier.
- ③ They will come home almost at the same time.
- ④ It's not certain.
